When Tomorrow Starts Without Me

(Author Unknown)

When tomorrow starts without me,
and I'm not there to see,
if the sun should rise and find your eyes
still filled with tears for me.

I wish so much you wouldn't cry
the way you do today,
while thinking of the many things
we never got to say.

I know how much you loved me,
as much as I loved you,
and every time you think of me,
I know you'll miss me too.

For life is made of moments,
some happy and some sad,
but the time we spent together
was the greatest gift we had.

When tomorrow starts without me,
don't think we're far apart,
for every time you think of me,
I'm right there in your heart.
